

# FreeEsVclComponents

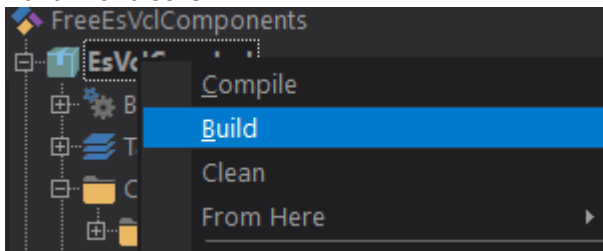

1. Add "Source" folder to library path  
(Tools->Options->Delphi Options->Library->Library path):

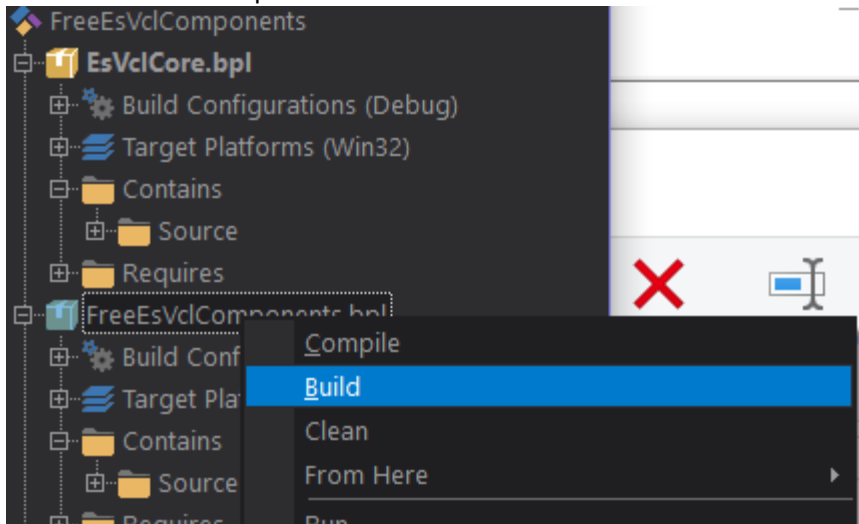

- ## 2. Open Project Group “FreeEsVclComponents”:

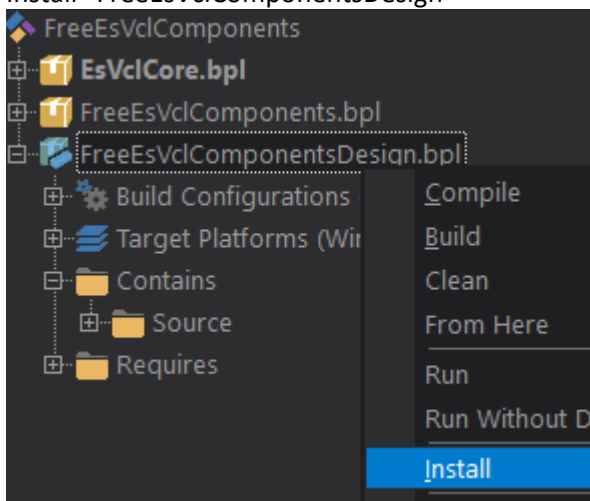

- ### 3. Build “EsVclCore”:

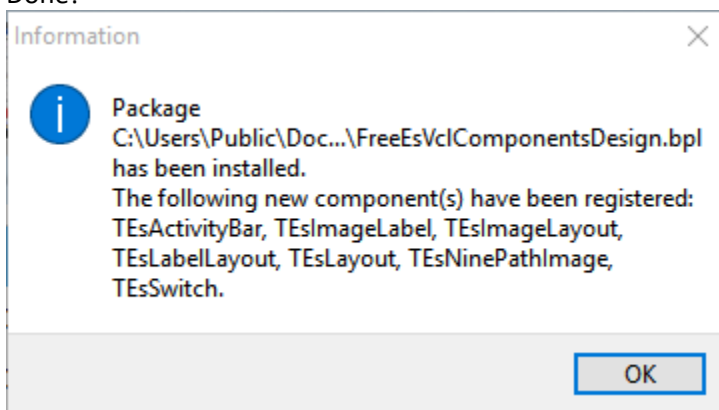

4. Build "FreeEsVclComponents":

5. Install "FreeEsVclComponentsDesign"

6. Done!

**WARNING:**

Activate FixLoadPng in "Source/FreeEsVclComponents.inc" if you are having problems downloading PNG images in the Design time, because of some installed packages (ex: AlphaSkins)
