

FreeEsVclComponents

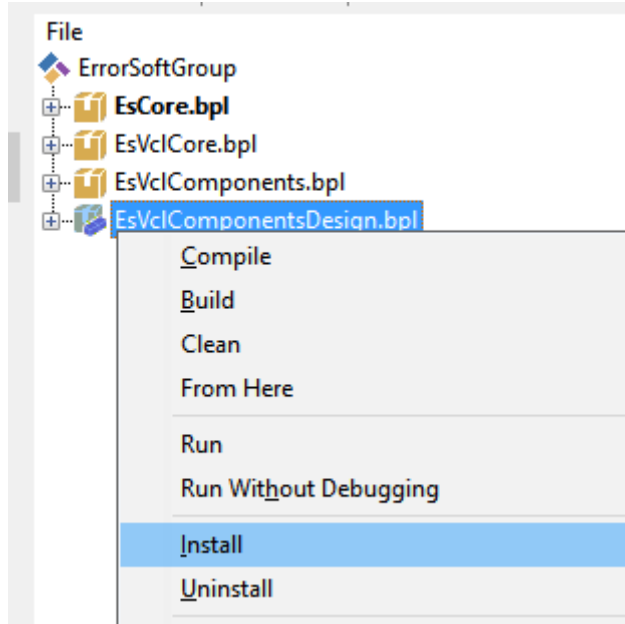

1. Add "Source" folder to library path
(Tools->Options->Delphi Options->Library->Library path):

2. Open Project Group "ErrorSoftGroup":
3. Click "Build All":

4. Select "EsVclComponentsDesign" and Click "Install"

5. Done!

WARNING:

Activate FixLoadPng in "Source/FreeEsVclComponents.inc" if you are having problems downloading PNG images in the Design time, because of some installed packages (ex: AlphaSkins)
